To: FinsEntries@aol.com, emerklin@iupui.edu

We intend to have the meet this weekend with the oncoming weather. However, if there is a weather event that results in IUPUI campus being closed for business then meet would be cancelled for that day.

If this were to occur then we would contact via cell phone a representative from your team. I need each team to provide me with a contact and cell phone number that we would use in this situation.

Thank you
Mike Bem
FINS Meet Director
